

## **Principal, Janet Clarke Hall**

DYNAMIC UNIVERSITY RESIDENTIAL COLLEGE  
HIGH PROFILE LEADERSHIP ROLE

---

Janet Clarke Hall is a leading academic residential college affiliated with the University of Melbourne. Founded in 1886 as part of the first established college of the University, it offers an independent, co-educational experience with a distinct and different culture. This includes accommodation on campus, shared facilities and participation in a wide variety of extra-curricular activities, including student-run clubs and societies. The College is a close-knit, supportive and respectful environment providing its 100 undergraduate and post-graduate students the opportunity to live, learn and grow.

After 20 years of exemplary service, Dr Damian Powell is stepping down and the Council is seeking to appoint a new Principal. Leading a team of high calibre staff and reporting to the Chair, the Principal will provide visible leadership in the day-to-day life of the College. The Principal is the strategic and operational leader and the key interface with the University, current and future students, alumni, philanthropic partners and beyond. As such the role necessitates vision, thoughtfulness and presence.

This is a highly visible position and will require an individual with significant experience working with and supporting young people as well as possessing the capacity to manage a team of professional staff and College resources. The successful candidate will ideally have exposure to the Australian higher education sector in a leadership or academic position and the credibility to represent the College externally at the highest level.
